My dear Mr McGuire.

Some friends
have suggested my calling
your attention to a picture
of mine "The quilting party" as
being suitable and deserving a
place in the Corcoran Gallery.
The canvas is 52 x 32 and has
six figures in it. It was

exhibited at the National
Academy this Spring and was
given one of the places of honor.
Mr. Blackmer the publisher is
to reproduce it this Summer.
I need hardly express to you
the gratification to say nothing
of the substantial benefit it
would be to me if you could
find it in your heart and
presence to favor its purchase
by the Croonian Gallery.
Is it possible to entertain the
idea and if so when and

where can I have you see it. If you will
kindly give me a letter at your earliest convenience.
-since I shall return in a few days and am
arranging to get out of town for my summer work.
Very sincerely yours
Casper M. Ward

Not finding you at your office, I take the liberty of asking you if this can be done. You will do me a favor by replying to the Minister, M^r Patenôtre, N^o 1415 Mass. Avenue.

Mr Chas M Matthews,

Dear Sir—

The house No 17213- E. St. N.W.,
was damaged very much by the
storms coming through the side
wall, and the tenants demands of
us that we paper the walls etc.

We think this expense of pointing
walls & remedying damage should
be born by the "Corcoran Art Gallery,"
and submit it as a request through
you - Awaiting your answer we remain

Very respectfully,
Wescott & Wilcox
